

A partnership to address the problem of homelessness and lack of affordable housing in Bucks County

IHDC 'Fresh Start' Donation Center

Fresh Start is a one-time post-homelessness assistance program that depends on donations of furniture and household items by individuals and business from within Lower and Central Bucks County. **Fresh Start** relies on volunteers to provide direction in the furniture warehouse. Client referrals are received from over 50 agencies and churches.

Each client can choose from a variety of functional furniture and housewares at no cost from our existing inventory. **Fresh Start** serves approximately five families weekly. It is necessary that each client provide helpers and transportation for the selected items.

Fresh Start appointments are scheduled from one to three weeks in advance. Almost one-third of clients fail to cancel or keep their appointments. **Clients should be strongly encouraged to arrive at the appointed time or to cancel an appointment they cannot keep. If you know that a client needs to reschedule an appointment, please have them contact us.**

If a client fails to keep an appointment, and we have not been notified, the appointment will not be rescheduled.

To receive service from **Fresh Start**, clients **MUST** be referred from a church, counselor or case worker, and **MUST** have been homeless within the past two years, and live, work or worship in Bucks County. Clients must also supply a list of needed furniture (see attached form), and provide their own transportation and two movers or assistants to pick up the items from our warehouse. One of our volunteers will contact each client directly to set up an appointment schedule. Please be sure to provide contact information for your client on the referral form. Referrals without sufficient contact information cannot be added to our referral list until they are completed.

Please be aware that **Fresh Start** is currently experiencing delays in scheduling clients due to an overwhelming demand for furniture and assistance. We ask that you have patience at this time.
