

A partnership to address the problem of homelessness and lack of affordable housing in Bucks County

OF BUCKS COUNTY**

Current Volunteer Opportunities

Fresh Start Donation Center

- Furniture Pick-up Teams desperately needed! We'll provide the box truck and cover gas, no CDL necessary. Can you and a friend give us one day (or more) a month to pick up donated furniture?
- Saturday Morning Warehouse Servers are always needed! Contact us if you would like to work one-on-one with families recently struggling with homelessness as they furnish their new households.
- Fresh Start Donation Center Coordinator. We need a dedicated volunteer who can spearhead the coordination of all of our donation center scheduling, from furniture pickup team schedules to answering questions from referred clients. This position can be accomplished in two or three afternoons or mornings per week, Monday through Friday, and can even be done from home if the volunteer is internet-knowledgeable and comfortable telecommuting.

Home Rehabilitation Projects

- Winder Drive – The following projects need to be completed at this property: yard work, painting of basement, painting of house, scraping and painting of front railings. The project would be perfect for a large group in mid-September. We can accommodate Saturday volunteering.
- Morrisville – We have several homes in Morrisville that need some assistance with yardwork. These would be great projects for youth groups!
- Airacobra Street – Looking to vent some frustration? We have some demolition needed at a site in Levittown. This project would probably be best for a smaller group of 3-4 people.
- Scattered Sites – We nearly always need assistance with yardwork at scattered sites. Please let us know if you would be interested in helping us out.

In-Office

- Receptionist – IHDC is always looking for more help around the office. The receptionist would answer phone calls, greet visitors, make copies and send/prepare faxes for staff, etc. We would prefer an experienced volunteer and one with Microsoft Office skills. This position would be scheduled during the work week.

If you are interested in participating in any of these projects, or if you have an idea for another project you might be interested in, give us a call! We can accommodate weekday and Saturday projects!
